

NOTICE TO ALL APPLICANTS FOR RECIPROCAL REGISTRATION
(if licensed in another state)

Practicing Land Surveying in the State of Arkansas without a license is a violation of state law. Arkansas requires the passing of a two (2) hour Arkansas specific exam- for all reciprocal applicants. This exam is regularly given in April and October and by appointment at Little Rock.

The following questions must be answered in the space provided. Each question should be answered in detail

Do not leave any line blank.

1. The reason you wish to become registered in Arkansas.

2. Information regarding any project in Arkansas on which you may have performed Land Surveying services as a subordinate or employee of another Professional Land Surveyor. Please provide the name of the Professional Land Surveyor in charge.

3. The current project or projects in Arkansas on which you contemplate performing Land Surveying Services if the information is not confidential.

4. The status of plans or reports on any project in Arkansas for which you have been retained as a surveyor.

5. I certify that I will not practice, or offer to practice, Land Surveying as defined in the Laws of the State of Arkansas and Rules of the State Board of Registration for Professional Engineers and Land Surveyors on any project in Arkansas until I have received a Professional Land Surveyors license.
